

NBFSC to Maine (MSA) Trails Closed / Covid-19

Due to COVID-19 restrictions, the NBFSC snowmobile trails connecting New Brunswick and Maine (MSA) will be closed in the 2020-2021 season until the Federal Government's international border restrictions for non-essential travel are lifted. The NBFSC trails connecting to the Maine border will not be maintained and not groomed but will be monitored by Public Safety and Federal border security. These trail closures affect 4 crossings that are highlighted on accompanying mapping.
