

BIG NEWS FOR OWNERS OF CLASSIC SNOWMOBILES!!

What year is your snowmobile? If it is a 2003-2012, it qualifies as a CLASSIC and you need this info!

New this year, there is a two-tier price structure for Classic Snowmobile Trail Permits, the same as we have always had for Seasonal Snowmobile Trail permits. Now, it is cheaper for you to **buy your Classic Permit BEFORE December 15th**. As we have always had with the Seasonal Permit, after December 15th, the price will go up.

As with previous years, you can purchase your Classic permit at any Service New Brunswick outlet, just bring your current registration with you. At this time, the Classic Permit is not available online, we have been working on a solution to this, but it will not be ready for this year.

PRICE - on or before December 15, 2021 = \$105 + HST

December 16, 2021 – April 15, 2022 = \$155 + HST

BUY EARLY! SAVE \$50 + HST!!
