

## NBFSC to Quebec (FCMQ) Trails Closed / Covid-19

Due to COVID-19 restrictions, the NBFSC snowmobile trails connecting New Brunswick and Quebec (FCMQ) will be closed in the 2020-2021 season until border restrictions for non-essential travel are lifted. The NBFSC trails connecting to the Quebec border will not be maintained and not groomed but will be monitored by New Brunswick's Public Safety Enforcement teams. Also, no snowmobile crossings of the unmarked and unmaintained Restigouche River between Campbellton, NB and Point a la Croix, PQ are permissible. These trail closures affect 5 crossings that are highlighted on accompanying mapping.
